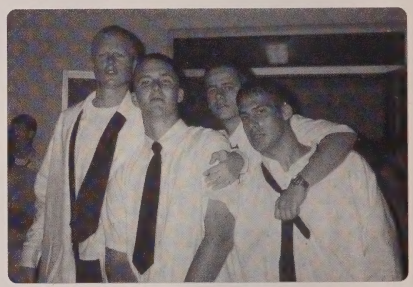
Graduation

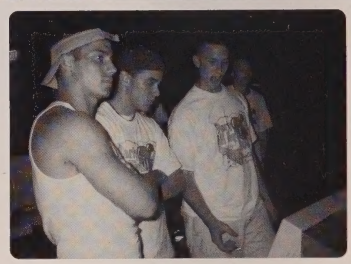
Baccaleaureate was on Wednesday, May 16. The seniors gathered together with their families and friends to make one more step toward graduation day.

Graduation was on Thursday, May 17 and was a time that the seniors have waited for all of their lives. There was a feeling of excitement and sadness as they bring to an end, their high school lives.

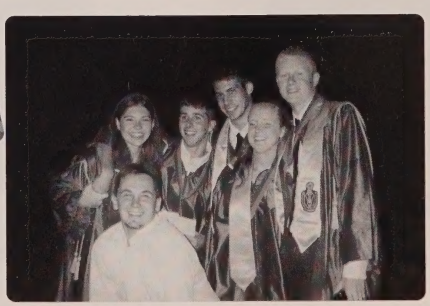
After graduation most of the seniors went on Project Graduation that was hosted by some of the senior parents. They spent the night in Dothan at The Playground, skating, playing arcade games, and lazer tag. After that they went to Patricia Lanes bowling. It was a great night that they will never forget.

Right: Chad Whitaker, Jeremy Vaughn, Chuck Thompson, and John Cook just couldn't wait to get out of those ties after Baccaleaureate. Below: The girls and the boys teamed up against one another bowling.





Beth Vaughn, Laura Marschka, and Sabrina Glover are happy to have finally made it!



After graduation, Ryan Sparks, Laura Marschka, Zac Yates, John Cook, Sabrina Glover, and Chad Whitaker all gathered for a picture.

GOOD LUCK GRADUATES

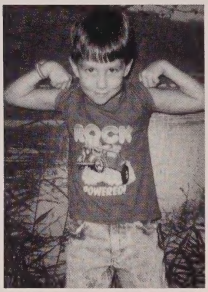
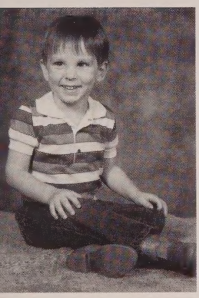
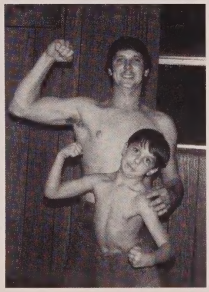
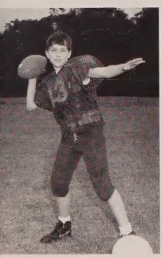
Parents seldom realize until their son is grown
The many ways he's touched their hearts or how the time has flown... He learns so much-too fast,
it seems-you can't believe the pace! Then
suddenly the boy is gone and who's this in his place?
A young man-filled with more than dreams, but
hope, and promise, too-Facing life on his own
terms, with visions to pursue...
And though we always trusted you'd be second-
best to none, We never knew how proud we'd be to
say "There goes our Son."

With all our love,
Mama and Daddy









We love you Jalyn
Mom & Dad

Twila,

We love you our Baby, our Sissy and our Friend!

Sabrina Glover

God is so good! On December 25, 1982, he gave to us a very special gift, our precious Sabrina.

From day one, "Brina," you have been the sunshine of our life. We thank your parents for making it possible for us to have the blessing of sharing in your growing up years. Your love and compassion radiate to each person whose life you touch, from the smallest child to the oldest grandparent.

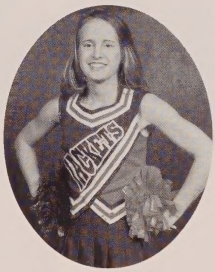
You have "dared to be different," exemplifying the characteristics and morals of a beautiful christian. Because of you, we have received more joy and happiness than we ever imagined.

As you begin this new chapter in your life, faced with many decisions, just remember, WWJD?

God bless you in a special way, Brina!

We love you BUNCHES!

Papa and Grandma



Sabrina,

Words cannot express the love I have for you and how proud I am of you and how proud I am to have you for a niece.

You have always been a bright and shining light in my life.

Time has gone so fast, taking you from the precious baby I used to keep to the beautiful young woman you are today. Your beauty is not only on the outside, but you are beautiful inside as well; a loving and caring person, always giving of yourself, never selfish.

With the positive spirit you have, you will go far in life and radiate positive energy to others.

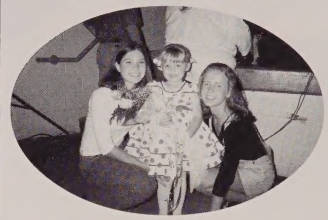
I love you!

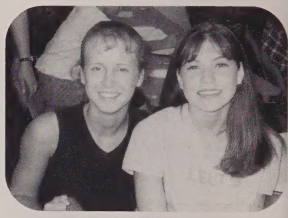
Aunt Kat

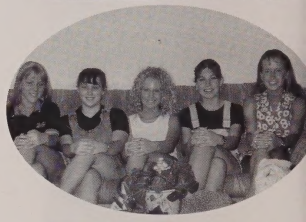
Laura & Sabrina

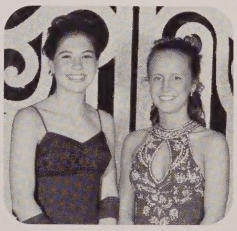
What made us friends?
I think I know,
Because you make the best of me show.
We found each other because God knew,
That a friendship like ours would always shine through.
Our friendship was a part of His plan.
As our high school years come to an end
I want to thank you for being a true friend.
What would life be like without a friend like you?
Someone who let's me open-up
And send all my secrets to.
Someone who is there for me through thick & thin,
Someone who will love me if I lose or win,
Someone who will help me through it all,
Someone who will catch me when I fall.
Best friends we have been for years,
And now the end of our Senior year draws near.
May our friendship last forevermore,
And our faith remain in Jesus Christ, our Lord.

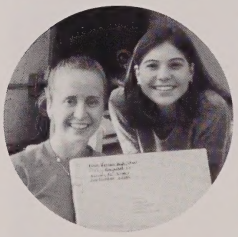
Friends Forever

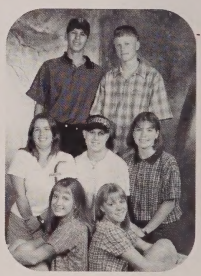












Sabrina,
You have brought joy into our lives.
You have brought happiness too.
With your smiles and tears.
With every hug.
As you leave one milestone in life
And begin another, It is important
that you believe in yourself as much as
we believe in you.
If you believe you can . . . you can
If you believe you are . . . you are
If you believe you will . . . you will.
Always believe with all your might!
When times are good or bad . . . Believe!
When times are sunny or gloomy . . . Believe!
And if you find yourself feeling alone in life,
Just remember all the love in your heart.
The love of friends and family
The love of Mom and Dad
The eternal love of God.
If you will take this love and belief with you always,
Anything is possible. And you can reach every goal you
have ever imagined!

Love Always!
Mom, Dad, Charles, Stacy, and Meme

Love
You!

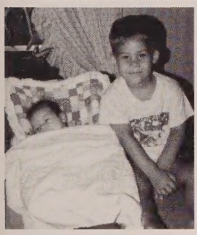
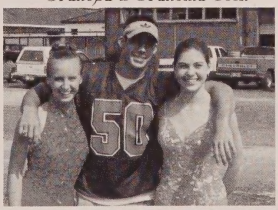
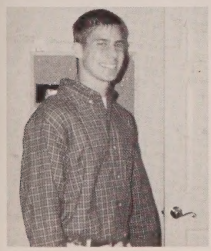
Message to Our Grandson,
John III

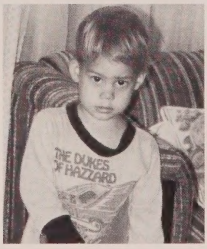
From the moment that we first looked at you through the nursery window, we knew our hearts belonged to you forever...
And as we have watched you grow, we are amazed at your never-ending fascination with life and what it has to offer.
You are the expression of love as we watch you blow out the candles on your birthday cakes. Each time we are apart, we await seeing you again with wonderful anticipation...
You are the message of hope for the future with your dreams and creativity.
You are our grandson, and generations of love are etched inside of you.
You have brought so much happiness to us and will always bring a smile to our faces when we think of you...
Our love and prayers will always follow you. We will be forever grateful you touched our lives.
We are proud of you. We always will be; you are our oldest grandchild-the delight of our heart and the joy of our life!

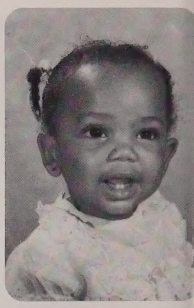
Love always,
Grandpa & Grandma Cook











Claudia

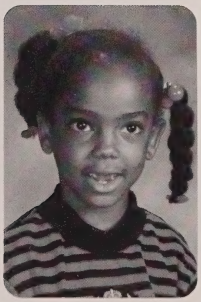
You were an angel sent from up above,
Always giving us caring and love.
It seems that you just grew up too fast,
How can we make all those fond memories last?

From the very first day that you started school,
Your love for good friendships grew.
You met some special people that you know to this day,
True friends that you found, who stood beside you come what may.

Soon the day came when you were ready to drive,
And even before that you were looking at guys.
From pigtails and braid to Polo and Baby Phat,
You've grown into a beautiful person, we will never forget.

Now the time has come for you to leave Vernon High,
So spread your wings and float just like a butterfly.
Never forget all the little things from the past,
Because those are truly the memories that are sure to last.

We are very proud that you have become the young lady that you are!
Love,
The Hogans Family

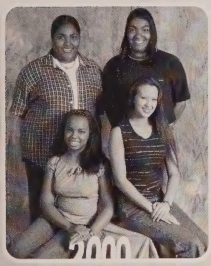


The Girls

Claudia, Jessica, Twila, & Wendy

Excitement and fear fill our hearts,
Soon a new way of life will start.
Thirteen years have almost past,
But in our minds the memories last.

We've been through it all
And realized who our true friends are.
The ones that were there,
When no one else seemed to care.



So as our senior year comes to an end...
I want to say, thanks for being true friends.

Two Thousand One

Jessica Michelle Reddick

Days go by like seconds, years go by like minutes, so it seems like just a few minutes ago we were given a gift. A new sister for Nikki and a second beautiful daughter for us. How much more blessed could we be? But we have been - ten fold. We are truly amazed and in awe of what you have done and accomplished so far in your young life. You've become a beautiful, smart and talented young woman. We are so proud of you and we have no doubt that you will have no trouble in your future endeavors. So with our hearts filled with love, we give you your wings - spread them wide and soar - The Future Is Yours!

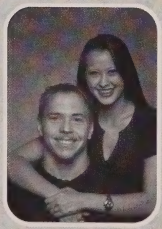
Our love and may peace be with you always,
Mom, Dad, Nikki and Grandma Rosie

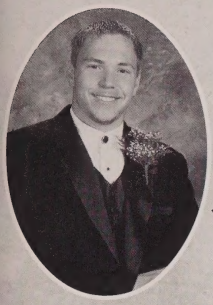
Two Thousand One

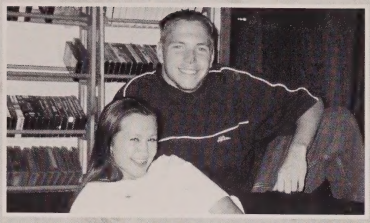
Jessica,

We are very proud of you and love you very much. You are a very smart young lady and we know that you will succeed in the goals you have set for yourself. Remember God loves you and will always be there for you.

Love,
Grandma Voncile & Otha







Jessica,

Over the past few years, you have done so much for me. You have really changed my life Jessica. You have made me realize how blessed I am. I would not ask for anything else for the rest of my life, if I could only keep that beautiful smile on your face. There's nothing else out there that I need. I don't need money or cars, just that smile beside mine. I promise you that.

I don't know what I would do without you. You have always been there for me and I love you for that. Jessica, I want to promise you something, as long as you're with me you have nothing to worry about. You will always have everything you want, because I love you so much.

You are such a wonderful daughter and sister and you have truly blessed our family in many ways. You are so precious to us and we are definitely proud of the accomplishments and honors you have received. However, we are most thankful for your decision to take a stand as a Christian and to be willing to share your faith with others. Your personality, along with the love and concern you have for people has allowed you to enjoy many special friendships along the way. As you step into another phase of your life we will continue to pray for you to always seek the guidance of God in all you do. Always keep your beautiful smile and know that we love you beyond measure.

Ashley,

When I held you in my arms for the first time, I found a love for you that opened up secret places in my heart that only God knew were there.

As the years have passed the love I have given you has come back to me, overflowing. I have protected you and tried to prepare you for the world beyond my arms. You have grown strong nowand I know you're ready for me to open those arms so that you may spread your wings.

Now fly my sweet angel, flyhigh and soar with the eagles, for the world is yours.

Love,
Mom

Ashley,

To my grandaughter, I have this wish for you for the future: No matter what your sights are set on, with your determination you will reach your goals. My wish is that whatever your choice is you will always be happy, stay sweet and loving as you have always been.

Your grandfather and I are so proud of you and love you with all of our heart! Love,

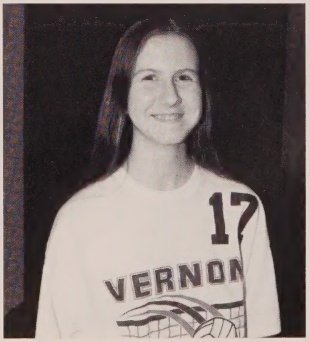
Gramma Sarver

Amanda,

Where did the time go? I can't believe you're already graduating! I still remember when you were trying to say "fish" and kept saying "shif". But, you've grown up to be a beautiful young lady. This may be the end of High School, but it's the beginning of a future that only you can make it what you want by the choices you make. We wish you all the happiness in the world and we love you very much. We will always be here for you.

Love,

Mama, Tim, & Tabitha



Tiffany

You were six months old and full of fun.
With a blink of my eye, you were suddenly one.
There were so many things we were going to do,
But I turned around and you were two.
At two, you were very dependent on me,
But independence took over ... then you were three.
Your birthday; another year I tried to ignore,
But when I lit the candles, there weren't three, there were four.
Four was the year you really strived...
Why look at you now; you're already five!
Now you are ready for books and for rules.
This is the year that you go to school.
The big day came, you were anxious to go...
We walked to the bus, going oh, so...slow.
As you climbed up the steps, and waved good-bye,
I felt a lump in my throat, and tears stung my eyes.
Time goes so fast, it's hard to believe...
Just yesterday you were home, here, with me.
And tomorrow, when the bus brings you home
And you jump to the ground
You'll be wearing your cap and graduation gown.
So I'm holding to these memories as hard as I can...
Because the next time I look, I'll be seeing a woman.

Philip,

Son, forget not my law; but let thine heart keep my commandments: For length of days, and long life, and peace, shall they add unto thee. Let no mercy and truth forsake thee: bind them about thy neck: write them upon the table of thine heart:

Trust in the Lord with all thine heart: and lean not unto thine own understanding. In all thy ways acknowledge him and he shall direct thy paths.

roads of a beginning and ending
in your life. You are very strong and
enjoy life with your beautiful smile and

Each day is glorious and a
blessing. You know you can
depend on the sun each day
and we know we can depend on
you doing your best, not only for
yourself but others in your life. We
love you and wish success in
everything you do.

The Three Musketeers

By: Jessica Reddick

"In Kindergarten they called us "The Three Musketeers"
And though we're grown up now,
We've managed to remain friends all these years.
When we were little we would gather on the playground at break
But now we're in high school so it's phone calls we make.
Together we've accomplished so many different things,
From cheering at state to receiving class rings.
The day we entered high school with a gleam in our eye,
We never seemed to grasp how quickly this time did fly.
Now it's 2001 and school is almost through,
It's time for bigger and better things for me and the both of you.
Even though when we graduate and say good-bye to these walls,
Our motto will still be "All for one and one for all."
